

Introducing SkinMedica Skin Care Collection

Now available at Statesboro Plastic Surgery! **Skin Medica** clinically formulated to provide maximum rejuvenation. **SkinMedicas'** entire aesthetic product line is based on the science of the skin's own healing abilities. As skin ages, elasticity decreases, lines appear and overall appearance is diminished. To counteract the effects of time, these skin care products contain restorative ingredients that work below the skin's surface to regenerate the health of the skin. **Skin Medica** is suitable for all skin types and colors.

TNS Essential Serum

This unparalleled anti-aging serum is the first to combine the renowned growth factor serum, TNS Recovery Complex in one chamber and APS Corrective Complex™, a potent mixture of antioxidants, peptides and other innovative anti-aging ingredients, in the other chamber. Together these products work synergistically to transform and regenerate your skin for a more youthful appearance. 1.0 oz.
